

**ECI College Success Program
You and Your College Experience
Where Are You Now?**

Name: _____

		Yes	Unsure	No
1	I understand all the benefits of a college education for my future life.			
2	I have clear-cut career interests and have already planned my college program to prepare me best for my future work.			
3	I am aware of how my previous educational background has prepared me for college work.			
4	I have all the personal traits of a successful college student.			
5	I know how the learning process functions and make an effort to maximize my learning at each step in this process.			
6	I know my personal learning style and use it to my advantage when learning new things.			
7	I know how to pay attention to gain the most from my classes.			
8	I am aware of my college's policies for academic honesty and behavior on campus.			
9	I know where to find all the resources of my college that can help me succeed both academically and personally.			
10	I am confident I can earn the grades I need to achieve success in my college courses.			
11	I knew that the first year of college would be the most difficult, but I was fully prepared and to take responsibility for my own success.			
12	I am taking steps every day to ensure I am successful in every aspect of the college experience.			
13	I have consistently utilized the academic resources at my school to help me succeed in difficult classes.			
14	I am interested, engaged and determined to succeed in my current course of study (major).			
15	I know how to prepare and study for my classes in order participate fully in the classroom and succeed with examinations.			
16	My family and friends fully support my efforts to succeed in college.			
17	In general, my family and friends believe that higher education (undergraduate degree and beyond) are important to my future success.			
18	I believe that this course can help me be more successful in my future college coursework.			
19	My high school's administration (principal & assistant principals) and counselors have been helpful in helping me with the college process.			
20	Young people in my family are expected to earn at least an undergraduate degree.
